

No. 16/2025/VTZ-CBTT

Long An, day 31 month 03 year 2025

*Explanation of changes in profit after tax
in the 2024 separate financial statements.*

Respectfully to: - The State Securities Commission;

- Hanoi Stock Exchange.

Pursuant to Point a, Clause 4, Article 14 of Circular No. 96/2020/TT-BTC dated November 16, 2020, the listed organization discloses information periodically on the stock market, based on the 2024 Business Results Report of the Independent Company and the 2024 Business Results Report of the audited company. Viet Thanh Plastic Production and Trading Joint Stock Company would like to explain the difference in profit on the audited financial statements and the independent financial statements as follows:

Unit: Viet Nam Dong

CONTENT	AUDITED FINANCIAL STATEMENTS 2024	SELF-ESTABLISHED FINANCIAL STATEMENTS IN 2024	Uneven (%)
Individual Financial Statements	58.640.184.592	61.767.635.376	5,33%

The reason for the difference in profit between the independent Separate Financial Statements and the audited Individual Financial Statements is because: The Company incurs interest expenses that are not deductible: VND 12.989.071.211, resulting in CIT expenses between the Independent Separate Financial Statements in 2024 and the audited Individual Financial Statements in 2024

Viet Thanh Plastic Production and Trading Joint Stock Company would like to report to the Committee

Respect.
