Pursuant to Circular No. 96/2020/TT-BTC dated November 16, 2020 of the Ministry of Finance guiding the disclosure of information on the stock market;

Pursuant to the Information Disclosure Regulations of Vinh Long Water Supply Joint Stock Company;

Pursuant to the Financial Report of Quarter II/2025 of Vinh Long Water Supply Joint Stock Company prepared on July 17, 2025.

Vinh Long Water Supply Joint Stock Company explains the reason why the profit after corporate income tax in the Business Performance Report for the second quarter of 2025 decreased by more than 10% compared to the Business Performance Report for the second quarter of 2024:

- Due to the application of Government Decree No. 44/2025/NĐ-CP and Circular No. 003/2025/TT-BNV in the second quarter of 2025 for calculating salary expenses.

- As the interest expenses were no longer capitalized, this had a negative impact on the company's profit after corporate income tax in the second quarter of 2025.
