Hanoi Stock Exchange

Hai Phong Construction Joint Stock Corporation No.3 (HC3) would like to extend our most respectful greetings to State Securities Commission and Hanoi Stock Exchange.

Pursuant to the Circular No. 96/2020/ TT-BTC dated November 16, 2020 of the Ministry of Finance guiding the disclosure of information on the stock market.

According to the Consolidated Financial Report for the second quarter of 2025, the profit after tax of Hai Phong Construction Joint Stock Corporation No. 3 is as follows:

Content	2 nd quarter	Accumulated for the first 6 months of the years
Consolidated profit in 2025	6.371.222.425 đ	13.309.048.873 đ
Consolidated profit in 2024	10.648.170.866 đ	23.848.002.092 đ

The main reasons for the profit variance in the consolidated financial statements of the second quarter of 2025 are as follows:

- Profit from the parent company's service and construction business activities declined.
- Due to the impact of the trade war, the stock market experienced significant volatility. As a result, the parent company made financial provision allowances, leading to a decline in financial investment results.

By this document, our Company would like to explain to the State Securities Commission and Hanoi Stock Exchange about the change in after-tax profit on the consolidated financial statements of the second quarter of 2025 compared to the consolidated financial statements of the second quarter of 2024.

Thank you so much!
