3. Supervising Board of Directors, Board of Management and shareholders by Board of Audit Committee:

- The Audit Committee supervises the activities of the Board of Directors through meetings, discussions, and the way the Board of Directors issues Resolutions. In 2024, the Board of Directors held regular quarterly meetings as prescribed to implement the Resolutions of the General Meeting of Shareholders.
- Supervises the activities of the Executive Board through the implementation of the Resolutions of the Board of Directors.
- The Audit Committee evaluates the issuance of Resolutions and decisions of the Board of Directors and the Board of Management within its authority and in accordance with the provisions of the Law, the Company's Charter, and relevant internal regulations.
- Supervises the truthfulness of the Company's Financial Reports and official announcements related to the Company's financial results.
- Supervises transactions with Related Persons under the approval authority of the Board of Directors or the General Meeting of Shareholders and makes recommendations on transactions requiring the approval of the Board of Directors or the General Meeting of Shareholders.
- Monitor the exercise of shareholders' rights at the General Meeting of Shareholders to ensure fairness and protect the legitimate rights and interests of shareholders.

4. The coordination among the Board of Audit Committee, the Board of Management, Board of Directors and other managers:

- The Audit Committee always coordinates well with the members of the Board of Directors and the Board of Management within the framework of performing its functions and duties, strictly complying with the provisions of the Law in the process of implementing activities.
- The Board of Directors and the Board of Management always create favorable conditions for the Audit Committee to carry out its work according to the set plan and promptly respond to information requests for the supervision requirements of the Audit Committee. The Board of Management has directed the functional units to overcome and/or rectify according to the recommendations made by the Audit Committee.
- The Audit Committee had many direct meetings with the Board of Management to grasp the implementation of the plan and the results achieved in the company's production and business activities in each period.
- The Audit Committee periodically reports the supervision results to the Board of Directors.
