3. Supervision Activities of the Board of Directors over the Executive Board

The Board of Directors has proactively addressed issues within its jurisdiction in a timely manner to facilitate the operations of the Executive Board. In 2025, the Executive Board has diligently and responsibly implemented the directives and regulations issued by the Board of Directors.

The Executive Board has also carried out the company's production and business activities effectively, in line with the resolutions of the General Meeting of Shareholders, the directives and guidelines of the Board of Directors, and in compliance with the company's regulations, its Charter, and relevant legal provisions.

Fully aware of the Company's advantages and challenges—especially in light of two consecutive years of negative performance—the profit indicator for 2025 has surpassed the accumulated losses, demonstrating outstanding efficiency. Accordingly, the Executive Board must continue to implement flexible policies in managing business and production activities to ensure even greater operational effectiveness in the new phase.

In 2025, the CEO submitted 25 proposals to the Board of Directors seeking approval on key matters primarily related to investments, human resources, and production and business activities, all in accordance with the authority set out in the company's Charter and applicable legal regulations.

4. Activities of the Subcommittees of the Board of Directors

The company has not yet established any subcommittees under the Board of Directors. However, the company has issued a Regulation on the operations of the Board of Directors and has a supporting department (Board of Directors' Secretariat) responsible for assisting the Board in monitoring and supervising the company's activities.

Board members proactively carry out inspection and supervision activities within their designated scope and provide support to the operations of the Executive Board. The results are reported to the Board of Directors during its meetings.
