3. Supervising Board of Directors, Executive Board and shareholders by Board of Supervisors

- The BOS proactively communicated and coordinated with the BOD and the Executive Board regarding the content and plan for quarterly inspections and supervision. The BOS provided recommendations based on the quarterly control minutes of the Company. Based on this, the Executive Board directed the Executive Board to implement the recommendations of the BOS in accordance with regulations and to ensure the highest interests of the shareholders.

- The BOS assessed that the BOD has monitored and directed the company's production and business activities tightly and timely according to the Resolutions/Decisions of the GMS and the BOD, ensuring that the company's production and business activities are stable, develop, and safeguard the shareholders' interests. The Executive Board has organized and implemented the production and business plan according to the Resolutions/Decisions of the GMS and the BOD.

4. The coordination among the Board of Supervisors, the Executive Board, Board of Directors and other managers:

- The BOS collaborates with the BOD and the Executive Board to supervise and inspect the management and operation of the company's production and business activities. This ensures compliance with legal regulations, the company's charter, and resolutions/decisions of the GMS and the BOD. It also ensures the reasonableness, legality, honesty, and prudence in management and operations, preventing violations or non-compliance with regulations. The BOS assesses the

completeness, legality, and honesty of the business situation reports, financial statements, and management evaluation reports of the BOD, coordinating with units within the company to conduct financial inspections and other tasks within BOS' functions.

- The BOD has fully provided the BOD' resolutions and decisions to the BOS.
- The Executive Board has facilitated the BOS in accessing, collecting documents, records, and information related to the company's production, business, and construction investment activities for its inspection and supervision duties.
- The BOD, the BOS, the Executive Board, and the company's management staff have closely cooperated in the management and administration of the company's activities.

5. Other activities of the Board of Supervisors:

In first 06 months of 2025, the BOS participated and contributed opinions at the meetings of the BOD, monitored the process of obtaining written opinions from the BOD by receiving all relevant documents and records; attended the monthly coordination meetings of the Executive Board to understand the situation of production, business, and construction investment of the Company. From there, the BOS provided timely opinions and recommendations to the BOD and the Executive Board to implement the production and business tasks for 2025 that had been approved by the GMS.
