### 3. Supervising the Board of Management by the Board of Directors:

All business administration and operational activities of BSH are subject to the close supervision and direction of the Board of Directors. The General Director regularly reports to the Board of Directors (directly and to the Chairman of the Board of Directors) on the business, financial, and investment status of BSH. Based on this, the Board of Directors is well-positioned to closely monitor, promptly direct, and rectify the activities of the Executive Board.

The Chairman of the Board of Directors and other Board members directly participate in other important meetings to promptly grasp and direct BSH's activities.

The Board provides direction, oversight, and strategic guidance for the following areas in the first 6 months of 2025: Developing and orienting business strategies, supervising the Executive Board of the Corporation in implementing business objectives; restructuring the BSH organizational model towards a streamlined and efficient one; focusing on exploiting insurance operations that bring efficiency and profit to BSH; promoting and expanding cooperation with strategic partners and potential corporate clients, expanding effective and transparent distribution channels; applying technology to optimize costs, make the business process transparent, and create more suitable insurance products for each customer segment to enhance the customer experience, thereby improving BSH's competitiveness; successfully implementing the strategic objectives entrusted by the General Meeting of Shareholders, and adhering to legal regulations and the BSH Charter.

In its role as a strategic governance and guidance body, in the first half of 2025, the Board of Directors continues to prioritize the simultaneous tasks of developing and implementing a long-term, effective, and sustainable development strategy, alongside overseeing, managing risks, maintaining achievements, and protecting the rights of investors and shareholders.
