3. Supervision activities of the BOD over the Executive Board:

- The Board of Directors is the governing body of the Corporation, fully authorized to act on behalf of the Corporation to make decisions and exercise the rights and obligations of the Corporation, except for matters under the authority of the General Meeting of Shareholders. The Board determines the strategy, medium-term development plan, and annual business plan of the Corporation through resolutions and decisions for the Executive Board to implement.
- The oversight activities of the BOD over the Executive Board are carried out regularly through meetings to monitor the Corporation's business operations, approve business plans proposed by the Executive Board, and address emerging issues related to personnel management and risk governance. Through this, the Board has guided the Executive Board in executing business operations in alignment with the objectives, ensuring that the business strategy and plan are implemented in accordance with the orientation of the General Meeting of Shareholders and the Board, thereby improving operational efficiency and achieving the set targets.
- In the first six months of 2025, the BOD oversaw the Executive Board's management through monthly and quarterly monitoring of business plans, approved the organizational plan and materials for the 2025 Annual General Meeting of Shareholders, supervised investment activities within the Board's authority, and monitored the development of the 2025 business plan and the implementation of the targets approved by the General Meeting of Shareholders.
- Through this oversight process, the Board recognized that the Executive Board's operations were compliant with legal regulations and the Corporation's Charter. The Executive Board has made serious efforts to fully and strictly implement the Resolutions of the General Meeting of Shareholders and the BOD. The Executive Board has demonstrated a high level of responsibility, regularly holding meetings to discuss and agree on implementation solutions to achieve the highest efficiency in operations. Each member of the Executive Board closely

followed their assigned duties and promptly addressed any challenges or obstacles. The BOD has not detected any irregularities in the Executive Board's operations.

3. Supervisory Board's Oversight of the BOD, Executive Board, and Shareholders:

- In the first 6 months of 2025, the SB carried out its duties in accordance with its functions and authority as defined in the Charter and the SB's regulations, to supervise the activities of the BOD and Executive Board in implementing the Resolutions of the General Meeting of Shareholders and the BOD.

- Oversight of the BOD: The SB monitored the BOD's implementation of the Annual General Meeting of Shareholders resolutions, reviewed contracts and transactions involving insiders and related parties under the BOD's approval authority, and made recommendations accordingly. The meeting procedures, minutes, and resolutions of the BOD complied with the Corporation's Charter, and the content of the resolutions focused on guiding the implementation of business targets set forth by the Annual General Meeting of Shareholders. BOD members managed business operations closely and in a spirit of responsibility and unity.

- Oversight of the Executive Board: The SB supervised the Executive Board's management of the Corporation, reviewed the reasonableness, legality, transparency, and prudence in business operations and financial management, and assessed consistency with accounting, statistics, and financial reporting standards. The SB concluded that the Executive Board performed its functions in compliance with the Charter and legal regulations.

- The SB did not receive any requests or petitions from shareholders concerning the BOD's or Executive Board's management of business operations and finances.

4. Coordination between the SB and the BOD, Executive Board, and Other Managers:

- The SB was invited to attend BOD and Executive Board meetings for information exchange and updates. It was provided with relevant documents in a cooperative spirit, and all parties maintained a close working relationship for the benefit of the Corporation and shareholders.

- Copies of resolutions, decisions, meeting minutes of the General Meeting of Shareholders and the BOD, and other documents issued by the Corporation were sent to the SB in full, timely, and in accordance with regulations.

- The SB issued recommendations to the BOD and Executive Board on measures to strengthen internal control, minimize risks, ensure stable operations, and achieve set targets while complying with the law and the Corporation's Charter.

- The BOD and Executive Board consistently cooperated with the SB in conducting inspections at the Corporation's subsidiaries, directed units to coordinate with the SB, and ensured full compliance with SB recommendations.

5. Other activities of the SB (if any): None.
