7	Bernhard Hackl	09/11	100%	Mr. Bernhard Hackl was appointed to the Board of Directors as of February 20, 2025

3. Supervising the Board of Management by the Board of Directors:

Human Resources of the Board of Directors

- The current Board of Directors consists of 7 members: **one** Chairman (Mr. Nguyen Thien Truc served as Chairman of the Board until February 21, 2025. From February 21, 2025 to June 19, 2025 Mr. Bernhard Hackl was Chairman. Since June 20, 2025, Mr. Nguyen Thien Truc has resumed his role as Chairman) and **six** other members, including **one** independent Board member.

Activities of the Board of Directors

- In the first 6 months of 2025, the Board of Directors performed its functions and duties in strict accordance with the Enterprise Law, the Company's Charter, the Board of Directors' operating regulations, and the Group's internal governance regulations. All tasks assigned to individual Board members were completed efficiently and on schedule. The Board's oversight of the General

Director's Office was carried out through monthly activity reports submitted by the General Director to Board members, ensuring that strategic objectives and plans were met. The Group's business production targets were quickly directed by the Executive Board and promptly supported by the Board of Directors during implementation.

- The Board of Directors held meetings to evaluate business results, assess business risks, and approve business solutions under its authority. Additionally, during quarterly meetings, the Board provided guidance and opinions to ensure the overall business plan. Furthermore, the Board collaborated with the Supervisory Board to strengthen internal inspection and control, supervise, and organize the implementation of regulations and risk management within the Group.

Board of Directors Meetings

- In the first 6 months of 2025, the Company's Board of Directors held meetings to direct and guide the Company's development. These meetings were conducted in proper order and procedure according to the Company's Charter and the Enterprise Law, ensuring timely resolution of arising issues.
- Meeting minutes for all Board of Directors meetings were fully prepared and conformed to legal requirements. Documents and materials were fully distributed to attending Board members for review and study in advance, as stipulated by the Charter.

Business Production Development Orientation

- Enhance forecasting and closely monitor global geopolitical issues that affect the domestic economy and the Group's overall business performance.
- Direct the review of all business units and analyze business segments to optimize resources and focus on developing highly effective business segments.
- Strengthen capital management and cash flow management, optimizing capital utilization efficiency to ensure the Group's continuous operational stability.
- Maximize the capacity of existing machinery and equipment lines to increase production output and help reduce product costs.
- Closely monitor, control, and accelerate the construction progress of new projects.
- Along with enhancing business production development, business risk management is regularly monitored.
- Continue to optimally control costs incurred within each subsidiary to maximize profit.
- Continue to streamline the human resources apparatus, focusing on core business issues to save costs and increase operational efficiency.

Investment Activities

Continue to research and analyze market trends, preparing resources to be ready to seize the best investment opportunities

Governance Activities

- Continue to consolidate the management system and human resources structure according to the new organizational structure, enhance management and executive capacity, further elevate the strategic and oversight role of the Board of Directors, and focus on training, coaching, and supervising the management team.
- Issue competitive salary and remuneration policies. Evaluate performance through performance management, provide opportunities, environment, and promotion systems for potential management levels, and organize systematic and in-depth training programs to build a successor management team, serving long-term development needs.

2	Do Thi Kim Chung	2/2	100%	100%	-
3	Ha Thi Bich Van	2/2	100%	100%	-

3. Supervising Board of Directors, Board of Management and shareholders by Board of Supervisors:

By correctly implementing the policies stipulated in the Company's Charter and the Enterprise Law, the Board of Supervisors carried out its duty of supervising business production activities. It did this by reviewing the Company's financial reports, Board of Directors' meeting minutes, and the issuance of corresponding Resolutions/Decisions. This included inspecting and evaluating the achievement of business objectives.

In the first six months of 2025, the Board of Supervisors also received no complaints from shareholders regarding the management and operation of the Board of Directors and the Company's General Director's Office.

4. the coordination among the Board of Supervisors, the Board of Management, Board of Directors and other managers:

Throughout the year, following Board of Directors' meetings, the Board of Supervisors was consistently updated with full details of meeting minutes and resolutions. This ensured they had timely access to real-time information regarding the Company's business production activities and the status of investment projects

5. Other activities of the Board of Supervisors:

In addition to overseeing the activities of the Board of Directors and the General Director's Office, the Board of Supervisors also monitors the Company's compliance with information disclosure regulations. This ensures that all important information is always fully and promptly disclosed and updated for shareholders.
