**To: - State Securities Commission;

Pursuant to Circular 96/2020/TT-BTC issued on November 16, 2020 of the Ministry of Finance guiding the disclosure of information on the Stock Market.

Based on the Business Performance Report for the first six months of 2025 of the Company, Hai Ha Confectionery Joint Stock Company would like to provide an explanation regarding the case where the profit after corporate income tax in the financial statements for the first six months of 2025 decreased by more than 10% compared to the same period last year.

The reasons are as follows: The main cause is a decrease in financial income during the first six months of 2025. Additionally, the company accelerated its sales for the fourth quarter of 2024 in preparation for the Lunar New Year 2025, which led to a decline in revenue in the first quarter of 2025. Moreover, revenue in June 2025 dropped significantly due to a delay as individual business households transitioned their operations to the enterprise model.

So Hai Ha Confectionery Joint Stock Company reports to the State Securities Commission, Hanoi Stock Exchange and investors.

Best regards./.
