Re: Explanation Regarding the Separate  
Financial Statements for Q3 2025

**To:           - The State Securities Commission of Vietnam**  
**- The Hanoi Stock Exchange**

*According to Circular No. 96/2020/TT-BTC dated November 16, 2020.*

Petrovietnam Engineering Consultancy Joint Stock Company would like to explain the indicator: Net profit after corporate income tax for Q3/2025 compared to the same period in Q3/2024, as follows:

No.	Item	Quarter 3/2025 (VND)	Quarter 3/2024 (VND)	Difference	
				Amount (VND)	Rate (%)
1	Net profit after tax	733.958.498	368.965.897	364.992.601	99%

The Separate financial report for the third quarter of 2025 shows a net profit after tax of VND 733.9 million, an increase of VND 364.9 million, equivalent to 99% compared to the same period last year. The main reason is that during this period, revenue from goods sales and service provision increased by VND 1.46 billion, gross profit rose, and financial expenses from bank loan interest sharply decreased by VND 1.23 billion due to the company paying off part of the principal debt, along with reduced other expenses. As a result, the net profit after tax for this period increased compared to the previous period.
