Gia Lai, October 17, 2025

Re: Explaining the increase in profit
after tax in the Income Statement for
the 3rd quarter of 2025 compared to
the 3rd quarter of 2024

To:

- State Securities Commission of Vietnam;
- Hanoi Stock Exchange (HNX).

Pursuant to Circular No. 96/2020/TT-BTC dated November 16, 2020,
issued by the Ministry of Finance on the disclosure of information in the
securities market;

Pursuant to Binh Dinh Water Supply and Sewerage Joint Stock Company's
Financial Statement for the 3rd quarter of 2024 and the Financial Statement for the
3rd quarter of 2025.

Binh Dinh Water Supply and Sewerage Joint Stock Company explains the
increase in profit after tax in the Income Statement for the 3rd quarter of 2025
compared to the 3rd quarter of 2024 as follows:

Description	Unit	Q3/2025	Q3/2024	% Increase, Decrease (+/-)
Profit after tax	Dong	13,795,046,972	10,711,599,711	28.79

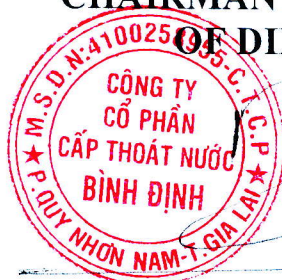

The reason for the after-tax profit in the 3rd quarter of 2025 increasing by
3,083,447,261 VND compared to the 3rd quarter of 2024 is due to the water
consumption volume increasing by 3.02% compared to the same period last year
and the clean water selling price being adjusted according to Decision No.
1487/QĐ-UBND dated April 29, 2025, of the People's Committee of Binh Dinh
Province (now the People's Committee of Gia Lai Province).

Binh Dinh Water Supply and Sewerage Joint Stock Company sends this
official letter to your agencies and investors to explain the Company's business
results. /s/
