- State Securities Commission of Vietnam
- Hanoi Stock Exchange

Pursuant to Circular No. 96/2020/TT-BTC dated November 16, 2020, issued by the Ministry of Finance on "Guidelines for information disclosure in the securities market,"

PTSC Quang Ngai Joint Stock Company, stock code PQN, provides the following supplementary explanation for discrepancies in the financial statement for Q1 2025 compared to the same period last year:

The after-tax profit in the financial statement for Q3 2025 is VND 6,543 million, a increase of VND 1,180 million compared to Q3 2024 (equivalent to a 22,01% increase). The main reason for this change is that during the period, the Company recorded other income related to the disposal of materials and scrap, resulting in a higher net profit margin compared to the same period in 2024.

PTSC Quang Ngai Joint Stock Company hereby informs accordingly.
