Information disclosure content:

In the Combined Financial Statements of Hanoi Textile and Garment Corporation, there are:

Business results in the third quarter of 2025:

+ Profit after tax in the third quarter of 2024: 4,997,109,141 VND

+ Profit after tax in the third quarter of 2025: 2,362,110,489 VND

Explanation for the decrease of more than 10% in profit after corporate income tax in Q3/2025 compared to the same period last year:

The Corporation's profit after tax in the third quarter of 2025 decreased by more than 10% compared to the same period. In the third quarter of 2025, the production and business situation of the main industries of yarn, garment, and towels was better than the same period last year. The profit after tax in the third quarter of 2025 decreased compared to the same period last year mainly due to the exchange rate difference and provisions for bad debts. In the third quarter of 2025, there was a loss due to exchange rate difference, while in the same period last year, there was a profit due to exchange rate difference.
