2. Disclosed Information:

Publish information as required by Circular 96/2020/TT-BTC related to financial statements, specifically as follows:

A. Announcing the financial statements of the third quarter of 2025 Consolidation of VKC Holdings Joint Stock Company was established on October 27, 2025 including: financial statements, financial statements, financial statements, financial statements.

B. Announcing the explanation of the cause of business results in the business results report in the third quarter of 2025 Consolidation compared to the third quarter of the same period of 2024 of the Parent Company, there is a difference of 10% or more. % and losses in the third quarter of 2025

Explain the main reasons leading to business results in the consolidated third quarter 2025 financial statements compared to the parent company's third quarter 2024 financial statements with a difference of 10% or more and losses in the third quarter 2025

(Unit: billion VND)

Indicator	QIV/2025	QIV/2025	Difference Increase/(Decrease)	% Increase/(Decrease)
Profit/(Loss) after tax (TNDN)	(12.088) billion	(22.160) billion	10.071 billion	45.45%

- The reason for the difference of 10% (Loss reduction) is because:

In the fourth quarter of 2025, revenue decreased slightly compared to the fourth quarter of 2024. But due to market fluctuations, selling prices increased, leading to an increase in the fourth quarter of 2025 of the gross profit ratio reaching 22% compared to net revenue.

In the fourth quarter of 2025, financial costs decreased by 6.48% compared to QIV/2024 because in Q4/2024 there was an adjustment to deduct additional interest of 1 billion 377 million VND shown in note VI.5

Sales and Management Costs also decreased compared to the fourth quarter of 2024 respectively by 71.17% and 18.24% due to the Company cutting the Executive Board and salary cuts of the Board of Directors and Board of Directors in the fourth quarter of 2025. The parent company's supervisory board is shown in detail in note VI.8

From the above reasons, the loss reduction in the fourth quarter of 2025 was 45.45% compared to QIV/2024

- Cause of loss in the third quarter because:

In the fourth quarter of 2025, the loss compared to the fourth quarter of 2024 is due to: In the fourth quarter of 2025, the parent company no longer has sales activities, and the physical goods are no longer available, so in the fourth quarter of 2025, the cost of goods sold decreased compared to the fourth quarter of 2024, corresponding to 68.24% shown in detail in note VI.3

In the fourth quarter of 2025, due to overdue interest paid on bond lots and overdue bank interest, it accounted for 164% of the parent company's net revenue and expenses, leading to losses in the quarter.
