No: 1901/CBTT-DCS

Hanoi, January 19, 2026

*Re: Explanation on DCS shares reaching ceiling
price for 05 consecutive trading sessions*

To: Hanoi Stock Exchange

EDX Holding Joint Stock Company (hereinafter referred to as the “Company”), stock code **DCS**, respectfully submits this report and explanation to the Hanoi Stock Exchange regarding the fact that DCS shares reached the ceiling price for 05 consecutive trading sessions from December 12, 2025 to January 16, 2026, with the following details:

1. Company’s operational status

2. Explanation on the fluctuation of share price

The Company hereby confirms that:

- The Company has no undisclosed inside information that could affect the trading price of DCS shares during the period from December 12, 2025 to January 16, 2026;
- The increase of DCS shares to the ceiling price for 05 consecutive trading sessions was mainly due to market supply and demand dynamics, as well as investors’ sentiment and expectations;
- The Company did not conduct any acts of intervention or influence that could affect the trading price of DCS shares on the stock market.

3. Company’s commitments

The Company commits that:

- All explanations stated above are true and accurate;
- In the event that any information or events arise that may affect the share price, the Company will fully and promptly disclose information in accordance with the current legal regulations;
- The Company respectfully requests the Hanoi Stock Exchange to consider and acknowledge the above explanations.

Sincerely,

Recipients:

- As above;
- Published on the Company’s website.

LEGAL REPRESENTATIVE

CHAIRMAN OF THE BOARD OF DIRECTORS

NGUYEN DINH HUNG
