c. Supervising Board of Directors, Board of Management and shareholders by Board of Supervisors

During 2025, the Board of Supervisors carried out oversight of the activities of the Board of Directors and the Executive Management with respect to the following key areas:

- Monitoring the implementation of resolutions of the General Meeting of Shareholders, ensuring that decisions were executed in a timely and comprehensive manner;
- Supervising and reviewing the preparation and implementation of the Company's financial statements, ensuring that financial information was presented truthfully and fairly, and in compliance with applicable accounting standards and legal regulations;
- Overseeing the mobilization and utilization of capital for investment projects, ensuring efficiency and alignment with the Company's long-term development strategy;
- Monitoring accounting and finance, legal compliance, information disclosure and risk management activities, in order to promptly identify and mitigate potential risks.

d. Monitoring Transactions with Related Parties:

- To examine and reconcile data relating to transactions with subsidiaries, joint ventures, affiliated companies, and individuals or organizations, in accordance with applicable regulations on related-party transactions;
- To ensure that such transactions are conducted in a transparent manner, free from conflicts of interest and without prejudice to shareholders' interests, and that they are subject to strict supervision and approved in accordance with the relevant authority levels.

e. The coordination among the Board of Supervisors, the Board of Management, Board of Directors and other managers:

- The Supervisory Board (SB) maintained close and regular collaboration with the Board of Directors (BOD), the Board of Management (BoM), and internal management departments to ensure effective supervision and support for the company's critical decision-making process.
- The Board of Directors and Executive Board proactively provided all necessary financial reports, meeting documents, and requested information from the Board of Supervisors.
- Information exchange was conducted continuously, particularly before significant events such as the General Meeting of Shareholders (GMS) or the implementation of major projects.
- The Supervisory Board participated in the BOD and the Board of Management meetings (when invited). Within its authority, the Supervisor Board offered contributions, critiques, and recommendations as deemed necessary on relevant matters.
- The Supervisory Board assessed the collaboration between parties as positive, significantly contributing to improved corporate governance and supporting the company's sustainable development.

f. Other activities of the Board of Supervisors:

In 2025, the the Board of Supervisors did not record any extraordinary activities beyond those carried out in compliance with its statutory functions and responsibilities under applicable regulations.
