6.2. Explanation of the content (explanation of the variance in net profit after tax compared to the same period last year):

To achieve the required 8% growth compared to 2024, the Company expanded export markets and intensified business activities, including:

- Revenue from exports: VND 41 billion
- Construction activities: VND 14 billion
- Cassava and cashew trading: VND 27 billion
- Colgate product distribution: VND 2 billion

As a result, total revenue in Q4 2025 increased by VND 84 billion compared to the same period in 2024.
