Disclosure content: Explanation of the Increase in Profit After Corporate Income Tax in the 2025 Audited Financial Statements.

The profit after corporate income tax presented in the audited Statement of Profit or Loss for the fiscal year 2025 increased by more than 10% compared with the same period of the previous year.

According to the audited financial statements, the profit after tax of Haiphong Electricity Water Machine Assembly Joint Stock Company in 2025 reached **VND 55.5 billion**, an increase of **VND 13.4 billion** compared with the audited financial statements for 2024, equivalent to an increase of **32%**.

Reasons:

1. **Revenue from service provision increased by VND 195 billion**, equivalent to an increase of **21%**: During the year, business operations remained stable, with increased electricity and water consumption output and reduced losses compared with the same period of the previous year.
2. **Administrative expenses increased by VND 2.5 billion**, equivalent to an increase of **11%**: During the year, the Company reduced its workforce and streamlined its management structure.
3. **Financial expenses decreased by VND 2.8 billion**, equivalent to a decrease of **34%**: This was mainly due to the Company reversing the provision for impairment of securities during the period.

Apart from the reasons mentioned above, the Company confirms that there is no other information that would affect the audited financial statements for the fiscal year 2025.

We hereby confirm that the information disclosed above is true and accurate, and we take full responsibility before the law for the content of the disclosed information.
