**II. Content of Information Disclosure and Explanation**

Tan Cang offshore services joint stock company provides an explanation regarding the difference in net profit after tax on the separate financial statements for 2025, which has changed by 10% or more compared to the same the previous year, as follows:

- In 2025, the net profit after tax on the separate financial statements was higher than the same period in the previous year due to the following main reasons:
  - + The company successfully deployed most of its offshore service equipment and vehicles both domestically and within the region. At the same time, it managed to increase rental rates compared to the same period;
  - + Financial income was higher as the Company recognized dividends receivable from its subsidiaries and associates;
  - + Other income increased because, during the period, the Company liquidated the TC Royal vessel.

We affirm that the disclosed information above is true and take full legal responsibility for the disclosed content.

Sincerely,
