INDEPENDENT AUDITORS' REPORT

**To: Shareholders, The Board of Directors and The Board of Management
Saigon - Hanoi Securities Joint Stock Company**

We have audited the Financial statements of Saigon - Hanoi Securities Joint Stock Company prepared on March 20, 2026, as set out on pages 06 to 53, including: Statement of financial position as at December 31, 2025, Statement of comprehensive income, Statement of cash flows, Statement of changes in equity for the fiscal year ended as at December 31, 2025 and Notes to financial statements.

The Board of Management ' responsibility

The Board of Management responsible for the preparation of Financial statements that give a true and fair view in accordance with Vietnamese Accounting Standards, Vietnamese Enterprise Accounting System applicable to securities companies and the statutory requirements relevant to preparation and presentation of Financial statements and for such internal control as management determines is necessary to enable the preparation of Financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these Financial statements based on our audit. We conducted our audit in accordance with Vietnamese Standards on Auditing. Those standards require that we comply with standards, ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of Financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the Financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Auditor's opinion

In our opinion, the Financial statements give a true and fair view, in all material respects, of the financial position of Saigon - Hanoi Securities Joint Stock Company as at December 31, 2025, and of the results of its operations, cash flows and changes in equity for the year then ended, in accordance with the Vietnamese Accounting Standards, Vietnamese Enterprise Accounting System applicable to securities companies and the statutory requirements relevant to preparation and presentation of financial statements.

Financial assets of the Company including cash and cash equivalents, financial assets at fair value through profit and loss (FVTPL), held-to-maturity investments (HTM), loans, available for sale financial assets (AFS) and receivables. At initial recognition, financial assets are identified by purchasing price/issuing cost plus other expenses directly related to the purchase and issuance of those assets, except financial assets at fair value through profit and loss (FVTPL) are identified by purchasing price/issuing cost.

Financial liabilities

Financial liabilities of the Company including loans, trade payables and other payables, accrued expenses. At initial recognition, financial liabilities are determined by issuing price plus other expense directly related to the issuance of those liabilities.

b) Classification principles

Financial assets at fair value through profit and loss (FVTPL): financial asset is classified as FVTPL if it was held for the purpose of selling or repurchasing in financial market through researching and analyzing with profit-taking expectation. The other financial assets are not classified to FVTPL when they are sold, they must be reclassified to FVTPL.

Financial assets FVTPL is a debt instrument at maturity which must be recognized as receivables and provision as doubtful debts (if any).

Held-to-maturity financial assets (HTM): are non-derivative financial assets with fixed or determinable payments and fixed maturity that the Company has the positive intention and ability to hold to maturity other than:

- Non-derivative financial assets have been classified as at fair value through profit / loss (FVTPL);
- Non-derivative financial assets have been classified as available for sale (AFS) by the Company;
- Non-derivative financial assets satisfy the definition of loans and receivables.

After initial recognition, held-to-maturity financial assets (HTM) are subsequently measured at amortized cost using the effective interest rate method.

Loans: are non-derivative financial assets with fixed or identifiable payments and not listed on the market.

Types of loan commitments made:

- Margin contract;
- Prepaid of selling securities contract.

After initial recognition, loans are measured at amortized cost using the real interest rate method, except for loans to financial assets recognized at fair value through profit or loss; Financial liabilities arising from the transfer a financial asset that are not eligible for discontinuance or when applicable in accordance with the continued relevant regulations; financial guarantee contracts.

Available for sale financial assets (AFS): are the non-derivative financial assets that are determined as available for sale or are not classified as:

- Loans or Receivables;

- At the time of initial recognition, the Company classified financial liabilities into groups that recognized through profit or loss.

Financial liabilities recognized by amortized value: financial liabilities are not classified as financial liabilities recognized through profit or loss.

c) *Revalue financial asset principles*

Revaluation of financial assets FTVPL and AFS at market value or fair value is according to the method of valuation in accordance with the law. In case, there is no market prices at the most recent trading date, the Company uses fair value to revalue its financial assets. The fair value is determined on the base of respect for the principle, method or model of valuation theory of financial assets as prescribed in the Company's Charter or Valuation Manual or after being approved by the Board of Management.

The fair value/market value of financial assets is determined in accordance as follows:

- The market value of the securities listed on the Hanoi Stock Exchange and the Ho Chi Minh City Stock Exchange is the closing price of the last trading day counted to the date of revaluation;
- For securities of unlisted, the Company registered for trading on unlisted public listed companies (UPCom), the market value is determined as the closed price at the last trading day counts until the date of revaluation;

- For unlisted securities not registered for trading on the Unlisted Public Company Exchange (UPCom), the basis for revaluation is the price obtained from reference sources that the Board of Management assesses as reflecting the market price of these securities, or based on the fair value determined according to principles, methods, or theoretical models of financial asset valuation after written approval by the Board of Management.

For securities without reference from the above sources, the Company has not properly measured the fair values of these securities because Vietnam Accounting Standards and Vietnamese Accounting System applied for securities companies do not have specific guidance on the determination of fair value. Accordingly, fair value is estimated at the original cost of the investment. In case, securities show signs of a decline in price, the Company will evaluate the possibility and extent of a decrease in price based on considering the financial position and book value of the issuer as of December 31, 2025.

The difference in increase/decrease dues to revaluate FVTPL are recorded according to the principle of non-offset and presented in the Statement of Comprehensive Income on 02 items: the item "Loss from financial assets at fair value through profit and loss (FVTPL)" - details "Loss from revaluation of financial assets at FVTPL" (if the assessment decreases) and the item "Gain from financial assets at fair value through profit and loss (FVTPL)" - Details "Gain from revaluation of financial assets at FVTPL" (if the assessment increases).
