Pursuant to Circular No. 96/2020/TT-BTC dated 16 November 2020 issued by the Ministry of Finance, providing guidelines on information disclosure in the securities market, DHC Suoi Doi Joint Stock Company (the “Company”) hereby provides an explanation regarding the variance in business results as follows:

Based on the Company’s audited separate financial statements for 2024 and 2025, the Company’s profit after tax for 2025 increased compared to that of 2024, as detailed below:

Profit after tax for 2025:   VND 18,550,361,543.

Profit after tax for 2024:   VND 10,442,587,555.

Reason: The increase was mainly attributable to a decrease in interest expenses compared to 2024, which resulted in higher profit after tax.

Sincerely.
