V/v: Explanation of the Loss in Profit After Tax  
for the First Quarter of 2026

Hai Phong, April 14... 2026

**To: - The State Securities Commission;  
- Ha Noi City Stock Exchange.**

Pursuant to Circular No. 96/2020/TT-BTC dated November 16, 2020 of the Ministry of Finance guiding the disclosure of information on the securities market.

Based on the Financial Statements for the first quarter of 2026, Habeco – Hai Phong Joint Stock Company (Stock code: HBH) would like to provide an explanation for the loss in profit after tax in the first quarter of 2026 and the change of 10% or more compared with the same period of the previous year, as follows:

*Unit: million VND*

TT	Item	The first quarter of		Discrepancy	
		2026	2025	Value	Rate (%)
(1)	(2)	(3)	(4)	(5)=(3)-(4)	(6)=(5)/(4)
1	The after-tax profit	(609.97)	901.56	(1,511.53)	-

The profit after tax in the first quarter of 2026 recorded a loss of VND 609.97 million, a decrease of VND 1,511.53 million compared to the same period last year. The main reason is that the prices of several key raw materials increased by 6–7% compared to the same period of the previous year, which led to higher production costs and consequently resulted in a negative profit for the period.

The above is Habeco – Hai Phong Joint Stock Company's explanation of its production and business performance results for the first quarter of 2026. The Company hereby reports this to the State Securities Commission and the Hanoi Stock Exchange for their information..

Thank you very much !
