Regarding the explanation of profit difference

To: Hanoi Stock Exchange

VINACOMIN Machinery Joint Stock Company would like to report the explanation for the difference in after-tax profit for Quarter I of 2026 compared to the same period in 2025 as follows:

**1. Profit after tax for Quarter I of 2026 compared to the same period in 2025:**

No.	Indicator	QI 2026 (Million VND)	QI 2025 (Million VND)	Percentage increase 2026 / 2025
1	After-tax profit	5,956	3,673	62

**2. Regarding the reasons for the increase in profit after tax in the QI of 2026 compared to the same period in 2025:**

- Revenue in Q1 2026 was higher than in the same period of 2025.
- Improved effectiveness in cost management and the Company's production and business operations.

The above is the explanatory report of VINACOMIN Machinery Joint Stock Company regarding the difference in profit after tax for the QI of 2026 compared to the same period in 2025.

Sincerely report.
