Regarding the explanation of after-tax profit
Q1/2026 shows a fluctuation of over 10% compared
to Q1/2025.

To: Hanoi Stock Exchange.

IDICO Investment Consulting Joint Stock Company sincerely thanks your organization for your attention and support over the past period.

Based on Circular 96/2020/TT-BTC dated November 16, 2020, of the Ministry of Finance on guiding the disclosure of information on the securities market.

IDICO Investment Consulting Joint Stock Company explains the fluctuations in after-tax profit in the Business Performance Report for Q1 2026 (unaudited figures) compared to the same period last year as follows:

Net profit after tax in Q1 2026 reached **VND 396,626,565** compared to **VND 195,264,718** in Q1 2025 increase of 103% due to the following reasons:

- Revenue from service provision in Q1 2026 increased by 15% compared to the same period.
- The cost of goods sold to revenue ratio in Q1 2026 was 5% lower than the same period last year.

We look forward to your attention and cooperation.
