Re: *Explanation of the net
loss after tax*

Hanoi, Apr 20, 2026

**To: - State Securities Commission
- Hanoi Stock Exchange**

ONE Technologies Corporation (ONE CORP) would like to send our most respectful greetings to your agency.

Our company would like to explain the loss in the first quarter of 2026.

Data according to the report:

Unit: VND

INDICATORS	Year 2025
Sales revenue	45.792.428.206
Cost of goods sold	42.990.194.069
Interest expense	523.011.805
Net profit	-1.661.303.002

In Q1 2026, the profit loss was VND 1,661,303,002. This was due to:

- The revenue in Q1 2026 was too low, mainly from the sale of commercial goods, so the gross profit could not cover fixed costs, resulting in a net loss after tax.
- The low revenue in Q1 2026 was also due to some ongoing projects that could not be completed in Q1 and were carried over to be completed in subsequent quarters.

The company respectfully reports this to the State Securities Commission, the Hanoi Stock Exchange, and all shareholders of the Company.

Sincerely thank you!

GENERAL DIRECTOR

TỔNG GIÁM ĐỐC

Dặng Anh Phương
