Information disclosure content:

According to the consolidated financial statements of Hanoi Textile and Garment Joint Stock Corporation:

Business results for Q1 2026:

+ Net profit after tax Q1/2025: VND 7.628.498.669

+ Net profit after tax Q1/2026: VND 9.469.355.940 *ph*

The net profit after tax in the consolidated financial statements for Q1/2026 of the Corporation increased by 10% or more compared to the same period in 2025. Hanoi Textile and Garment Joint Stock Corporation would like to explain the reasons:

The increase in net profit after tax of the Corporation in Q1 2026 compared to the same period is mainly due to the good recovery of the market and improved production management. Revenue in Q1 2026 was higher than the same period, while financial expenses and selling expenses decreased compared to the same period. The garment industry has successfully exploited the market, ensuring full order volumes. The yarn industry's tight production management has reduced costs, and combined with favorable market conditions, has yielded positive initial results. The towel industry has good order volumes and full production capacity. On the other hand, due to tight production management, increased productivity, and cost reduction, the overall efficiency of the Corporation has increased compared to the same period last year.
