2. Declaration of compliance with Accounting standards and regimes

Consolidated financial statements are made and presented in accordance with Vietnamese Accounting Standards and the current Vietnamese Accounting Regime.

3. Applicable accounting form

The company applies general journal recording, using GREENSOFT accounting software.

IV. APPLICABLE ACCOUNTING POLICIES.**1. Basis for preparing consolidated financial statements.*****Investments in Subsidiaries***

Subsidiaries are entities controlled by the Company. Control is deemed to exist when the Company holds more than 50% of the voting rights or has the power to directly govern the financial and operating policies of an entity to obtain economic benefits from its activities. In assessing control, the existence and effect of potential voting rights that are currently exercisable or convertible are considered.

The financial statements of subsidiaries are consolidated into the Company's consolidated financial statements from the date that control commences until the date that control ceases.

The consolidated financial statements of LICOGI 13 Joint Stock Company are prepared by consolidating the financial statements of subsidiaries over which the Company has a controlling interest as at December 31, 2024. All intra-group transactions, balances, income, and expenses between the Company and its subsidiaries, and between subsidiaries, are eliminated in full on consolidation.

Minority interests in the net assets of consolidated subsidiaries are separately presented under equity in the consolidated balance sheet, distinguished from the Company's shareholders' equity. Minority interests include:

- The minority shareholders' proportion of net assets at the date of initial business combination.
- Their share of subsequent movements in equity since the date of the business combination.

In the consolidated income statement, the portion of profit or loss attributable to minority interests is separately presented as "Profit after tax attributable to minority shareholders."

NOTE TO THE CONSOLIDATED FINANCIAL STATEMENTS**For the first quarter of 2026***(continue)****Investment in Associated Companies***

The results, assets, and liabilities of associates are incorporated in the consolidated financial statements using the equity method. Investments in associates are initially recognized at cost and adjusted thereafter for the post-acquisition changes in the investor's share of the investee's net assets.

Losses of an associate in excess of the Company's interest in that associate are not recognized unless the Company has incurred legal or constructive obligations on behalf of the associate.

Where a group entity transacts with an associate, profits and losses are eliminated to the extent of the Company's interest in the relevant associate.

2. Principles for determining cash and cash equivalents.

Cash is a comprehensive indicator reflecting the total amount of money available to the enterprise at the reporting date, including cash on hand, demand deposits at banks, and cash in transit. It is recorded and reported in Vietnamese dong (VND), in accordance with the provisions of the Accounting Law No. 88/2015/QH13 dated November 20, 2015

Inventory accounting method: Perpetual inventory system.

4. Principles of recognition and methods of depreciation for fixed assets.***4.1. Recognition Principles and Depreciation Methods for Tangible Fixed Assets.***

Tangible fixed assets are recognized at original cost and are reflected on the balance sheet according to the indicators of original cost, accumulated depreciation, and remaining value.

The recognition and depreciation methods of tangible fixed assets are implemented in accordance with the Vietnamese Accounting Standards on Tangible Fixed Assets, Circular No. 99/2025/TT-BTC dated October 27, 2025 of the Ministry of Finance, and Circular No. 45/2013/TT-BTC dated April 25, 2013 on the promulgation of the regime on management, use, and depreciation of fixed assets.

NOTE TO THE CONSOLIDATED FINANCIAL STATEMENTS**For the first quarter of 2026***(continue)*

The cost of acquired tangible fixed assets includes the purchase price (excluding trade discounts or rebates), taxes, and any costs directly related to making the asset ready for use.

Expenses incurred after the initial recognition of tangible fixed assets are recorded as increasing the cost of the asset when these expenses certainly increase future economic benefits. Costs incurred that do not satisfy the above conditions are recorded by the Company in production and business expenses during the period.

Tangible fixed assets are applied on a straight-line depreciation method. Tangible fixed assets are classified into groups of assets with similar characteristics and purposes for use in the Company's production and business activities, including:

<i>Type of fixed assets</i>	<i>Depreciation period <year></i>
- Buildings	25 - 50
- House and structures	5 - 25
- Means of transportation	6 - 10
- Machinery and Equipment	3 - 10
- Office equipments	3 - 5
