

**VIET THAI ELECTRIC CABLE
CORPORATION**

SOCIALIST REPUBLIC OF VIETNAM
Independence – Freedom – Happiness

No. 84 /2026/CV-VT

Dong Nai, 20 April 2026

Re. explaining the variation of profit in the
Financial Statements for the 1st quarter of
2026 compared to same period in the
previous year

To: - State Securities Commission of Vietnam
- Hanoi Stock Exchange

As stipulated in Section II – Chapter II – Circular 155/2015/TT-BTC issued on 06 October 2015 by the Ministry of Finance regarding information disclosure on the stock market, listed companies are required to periodically publish their quarterly and annual Financial Statements. Viet Thai Electric Cable Corporation would like to provide an explanation for the variation in after-tax profit in the Financial Statements for the 1st quarter of 2026 compared to the same period in 2025 as follows:

- After-tax profit in the Financial Statements
for the 1st quarter of 2026 VND 4,452,631,637
- After-tax profit in the Financial Statements
for the 1st quarter of 2025 VND 2,898,586,979

The after-tax profit reported in the financial statements for the 1st quarter of 2026 saw an increase of VND 1,554,044,658 year-on-year. This growth was attributed to the following factors:

- A rise in revenue in the 1st quarter of 2026 against the same period in 2025.
- A decrease in Selling expenses in the 1st quarter of 2026 over the same period in 2025.

As a result of the foregoing factors, the after-tax profit for the 1st quarter of 2026 was higher than that of the 1st quarter of 2025. Viet Thai Electric Cable Corporation hereby informs the State Securities Commission of Vietnam, the Hanoi Stock Exchange, and valued investors of this growth.

Yours faithfully!
