Information disclosure content:

According to the financial statements of Hanoi Textile and Garment Joint Stock Corporation:

Business results for Q2/2026:

+ Net profit after tax Q2/2025: VND (3,422,112,605)

+ Net profit after tax Q2/2026: VND 5,810,945,379 *phn*

Regarding the increase of 10% or more in the after-tax profit in the separate financial statements for Q2/2026, and the subsequent profit for Q2 2026, shifting from a loss in the same period of the previous year to a profit in this period, Hanoi Textile and Garment Joint Stock Corporation would like to explain the reasons:

The increase in the Corporation's after-tax profit in Q2 2026 compared to the same period last year is due to the strong recovery of the market and improved production management. This result is mainly achieved from the business performance of the yarn industry. The yarn industry recorded a strong recovery in selling prices, leading to increased revenue in Q2/2026 compared to the same period last year. The garment industry has effectively exploited the market, ensuring full order fulfillment.
