Abt: Explanation of profit difference on
financial statements for Quarter 3/2026

SOCIALIST REPUBLIC OF VIETNAM

Hanoi, Oct 20th 2026

To: - State Security Commission of Vietnam
 - Hanoi Stock Exchange (HNX)

Pursuant to Circular No. 96/2020/TT-BTC dated 16/11/2020 of the Ministry of Finance on information disclosure on the stock market;

Pursuant to the information disclosure process of PetroVietnam LPG Trading Joint Stock Company (PV GAS LPG).

PetroVietnam LPG Trading Joint Stock Company (Ticker: PVG) has submitted the financial statements for the 3rd quarter of 2026 to the Hanoi Stock Exchange and the SSC on October 20th, 2026 in accordance with regulations. PV GAS LPG would like to explain the reason for the difference in after-tax profit on the table of production and business results in the 3rd quarter of 2026 compared to 2025.

1. Summarizing main indicators:

No.	Indicator	This year	Last year	%
(1)	(2)	(3)	(4)	(5)=(3)/(4)
1	Net accounting profit before tax	2,218,929,083	3,599,713,748	62%
2	Corporate income tax ("CIT") - current	443,785,817	719,942,750	62%
3	Net profit after tax	1,775,143,266	2,879,770,998	62%

2. Causes:

In the third quarter of 2026, the Company's business operations were affected by fluctuations in the cost of LPG. Despite the Company's proactive efforts to boost sales, strengthen cost control, and improve business efficiency, LPG sales volume declined compared to the same period of the previous year. This adversely affected the Company's business performance, resulting in a decrease in profit after tax for the third quarter of 2026 compared to the corresponding period in 2025.

Through this official letter, PV GAS LPG respectfully submits to the Hanoi Stock Exchange (HNX) and the State Securities Commission of Vietnam (SSC) an explanation of the reasons for the change in profit after tax as reported in the Company's financial statements for the third quarter of 2026 compared to the same period of the previous year.

Sincerely./.
